Keep Rick Staly Sheriff Campaign Announces Campaign Milestones and Setting New Records

BUNNELL, FL: In less than 60 days, the Keep Rick Staly Sheriff campaign has received over \$80,000.00 in contributions and received over 20 endorsements. In addition, the campaign received more than 1,200 candidate petitions signed by Flagler County voters in just two weeks and received the Candidate Petition Certification from the Supervisor of Elections in just three weeks after Rick Staly filed for re-election.

"I am very humbled and appreciative of the overwhelming community support I am receiving since announcing my re-election campaign," said Sheriff Rick Staly. "This support is reflective in the amount of money we have raised so quickly, how fast we obtained enough signed petitions to have my name placed on the ballot without having to pay a filing fee and the impressive list of endorsements. But mostly I appreciate the community confirming the direction, effectiveness and leadership I have provided to the Sheriff's Office and wanting it to continue for another four years."

In November, the Keep Rick Staly Sheriff Campaign raised a total of \$53,756.85, setting a record level of support for Flagler County campaigns in one month. In the 59 days of mandatory financial reporting since Sheriff Staly filed for re-election the Keep Rick Staly Sheriff Campaign has raised a total of \$80,526.40, again a record amount in such a short time for a Flagler County campaign.

Sheriff Staly has received endorsements from local Mayors, Police Chiefs, Sheriff's, State Representative and Senator, Clerk of the Court and police unions that all want to "Keep Rick Staly Sheriff." "I am very proud and honored that so many elected officials support my campaign and see the good things we are doing together in Flagler County," said Sheriff Staly. "I am especially proud of the endorsements from the Coastal Florida Police Benevolent Association, which represents the Sheriff's Office employees, and the Fraternal Order of Police both locally and the State Lodge that represent over 22,000 law enforcement officers. These are the groups and people that know my vision and leadership the best and know I have the community and their backs all the time."
